GROWTH MINDSET Prompts & Desk Cards

ABOUT

Ready to get students excited about growth mindset? Well, this collection of **writing prompts** and **doodle desk cards** is designed to do just that! You'll find four writing prompts based on quotes with a growth mindset message. These are great to get students thinking, reflecting and writing about growth mindset. There's also a set of 4 doodle desk cards. Students can doodle and design the desk cards with growth mindset quotes and words. Then, they can assemble them to be free-standing inspirational cards that sit right on their desks!

WRITING PROMPTS

Materials:

- Class set of writing prompts (cut in half)

- Distribute the writing prompts anytime...as morning work, homework, part of a [growth mindset lesson](#), a substitute activity...and so on.
- Discuss the quote and prompt with students.
- Give students a chance to respond to the prompt.
- Build classroom community as students share their responses with partners, small groups, or the entire class.
- You could even save the prompts and compile them into a mini-growth mindset journal!

DESK CARDS

Materials:

- Copies of the doodle desk cards
- Scissors
- Tape
- Crayons, colored pencils and/or markers

- The doodle desk cards work especially well after students have completed the corresponding writing prompt(s).
- Explain to students that they will be making doodle desk cards to display on their desks for daily growth mindset inspiration.
- In the center section of the desk card have students fill in the paper doodles with words associated with growth mindset. For example: grit, challenge, persistence, perseverance, courage, effort. Or, have them fill in the shapes with growth mindset expressions. For example: *If I keep at this, I'll improve.* **IMPORTANT:** Since this will need to be upright when they fold their desk cards, make sure that they are writing in the shapes with the pushpin doodles at the top. (You may want to make a sample.)
- Then, have students color in the quote, doodles, and their growth mindset words.
- Next, have students cut out the cards and fold along the dotted lines.
- They can make the desk cards "stand up" by adding tape along the blank edge.
- Finally, let students place the desk cards on their desks for inspiration!

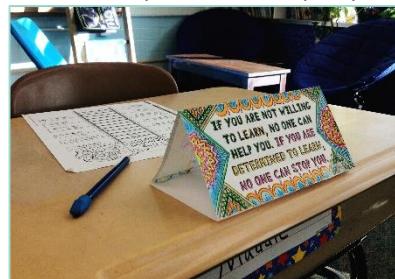

Add growth mindset words.

Color and cut.

Fold, tape, and display.
